To Whom it May Concern:

It is my honor to write this letter of recommendation for Joni Herman and John Cullinan with whom I recently had the pleasant opportunity to work.

As Steven Spielberg's personal assistant, it was my responsibility to coordinate the renovation of his office. Ms. Herman and Mr. Cullinan were a vital part of this extensive project. This office, as you can imagine, is very special and must be a comfortable workspace for Mr. Spielberg. Ms. Herman and Mr. Cullinan, with their meticulous attention to detail and their remarkable creative skills, were able to bring new life to Mr. Spielberg's office. They created a very particular texture and look on the walls that enhanced the unique feel of the environment, giving it the ambiance it needs to make Mr. Spielberg feel right at home.

I found Ms. Herman and Mr. Cullinan to be extremely professional, courteous, talented, full of many wonderful suggestions and worthy of future recommendations.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth Nye".

Personal Assistant to Mr. Steven Spielberg
